

New York State Canal Corporation

Annual Canal Clean Sweep Kiwanis Boat Launch Route 5S Saturday, April 22, 2017 9AM - NOON

The Canal Clean Sweep

The NYS Canal Corporation, in partnership with Parks & Trails New York and the Environmental Facilities Corporation is encouraging community groups and municipalities to participate in this "spring cleaning" event along the Canal System and the Canalway Trail.

Canal Clean Sweep is a volunteer event where portions of the Canal System and Trail will get a "spring cleaning". A group of Rotterdam residents have registered to participate in this program. They will work alongside other volunteers from youth groups to senior citizens to pick up litter and brush on lock grounds.
