Overview

The Town of Rotterdam's Senior Citizen's Center is located at 2639 Hamburg Street and is open from 8:00 AM until 4:00 PM Monday through Friday. The Center welcomes any senior who is **55 years of age or older**. We post our weekly schedule on the Town of Rotterdam website (www.rotterdamny.org) and have printed copies at the Center.

Located in the Center is the **Brass Rail Café** which is open on Monday from 9:30 AM until 2:00 PM and on Tuesday – Friday from 8:00 AM until 2:00 PM. More than a place to eat, the Café is a meeting place! Many of our seniors who are new to the Center first "try out" the delicious menu served at Café. The cook is a paid employee who is assisted by wonderful volunteers who always provide a warm and inviting atmosphere.

The Town of Rotterdam provides transportation to the Center from the three senior housing complexes in Rotterdam via a small bus which is driven by a CDL driver. Every Monday and Wednesday the bus brings residents for lunch and Bingo at the Center. Twice a month the bus brings seniors to Colonie Center so they may make any needed purchases.

Services Offered

Healthy Living & Blood Pressure Checks –

Every Thursday from 9:00 AM to 10:00 PM we have a registered nurse come to the senior center and take blood pressure readings. This also gives the seniors an opportunity to speak to someone in the health care field about any medical questions they may have.

Interesting Day Trips -

The Town of Rotterdam sponsors eight to ten day trips per year for senior residents of the Town. Our day trips are planned to accommodate seniors and they can include boat tours, train trips, museums and theatres.

Informational Courses -

The Town sponsors AARP Defensive Driving Courses throughout the year. We also host the AARP Income Tax Preparation which is held from February until April 15th. Many insurance companies have seminars at our center to inform seniors turning 65 and eligible for Medicare and those already on Medicare of any changes in the Medicare laws that would affect their insurance coverage. The Schenectady County Health Department holds a free Rabies Clinic at the center in February.

The staff at the Senior Center has information on HEAP Applications, Weatherization Programs and other programs sponsored by the county or state to help seniors receive the aid they need to keep warm during the winter months. The staff also can refer seniors or their families to the correct agencies to receive the information or help they may need.
