UPDATE:

TOWN OF ROTTERDAM ALERTS RESIDENTS TO CHANGE IN UPCOMING WATER & SEWER BILLING STRUCTURE

Operations & Maintenance to be billed in June, Residents Encouraged to Budget Accordingly

ROTTERDAM, NY – The Town of Rotterdam is alerting residents to a change in their upcoming June water and sewer bill(s), encouraging them to budget accordingly. Beginning June 2022, properties in **Sewer Districts 2, 3,4,6, and 7** as well as those in **Water Districts 3, 4, and 5**, will pay the Operation & Maintenance (O&M) portion of their water and sewer bill(s) in their June bill.

During the 2022 budget process, finalized in December of 2021, the Town of Rotterdam decided to separate the Operation & Maintenance cost from the debt charge used to finance upgrades to water and sewer infrastructure. This change is consistent with best accounting practices and splits the bill to allow residents to budget this expense. As a result, the Operation & Maintenance charge will be billed in the June bill and debt charge will be billed in the January tax bill.

The following districts and extensions should expect to receive June bills for O&M in the amount of:

- Rotterdam Junction Area - Water Districts 3 and 4: **\$668.87**
- Rotterdam - Water District 5: **\$157.89**
- Rotterdam – Sewer District 2 and all extensions: **\$384.95**
- Rotterdam – Sewer District 3: **\$236.26**
- Rotterdam – Sewer District 4: **\$466.67**
- Rotterdam – Sewer District 6: **\$735.99**
- Rotterdam – Sewer District 7 and all extensions: **\$85.78**

PAYMENTS MAY BE MADE JUNE 1, 2022 THROUGH JULY 31, 2022 WITH NO PENALTY.
